

# Assessment Policy

## Policy Objective

To ensure assessments are developed and conducted following the Australian Qualifications Framework (AQF), VET Quality Framework (VQF) and Standards for Registered Training Organisations (RTOs).

## Commitment

Develop assessments that are:

- valid (relevant to the competency being assessed)
- reliable (produce consistent outcomes)
- fair (accessible, equitable and without bias or lack of notification)
- flexible (able to make reasonable adjustments, where appropriate, to accommodate the client's needs)

by gathering evidence that is:

- valid (relevant to the assessment)
- sufficient (enough to show consistent competence)
- current (up to date)
- authentic (that of the client)
